Dear Community Partner:

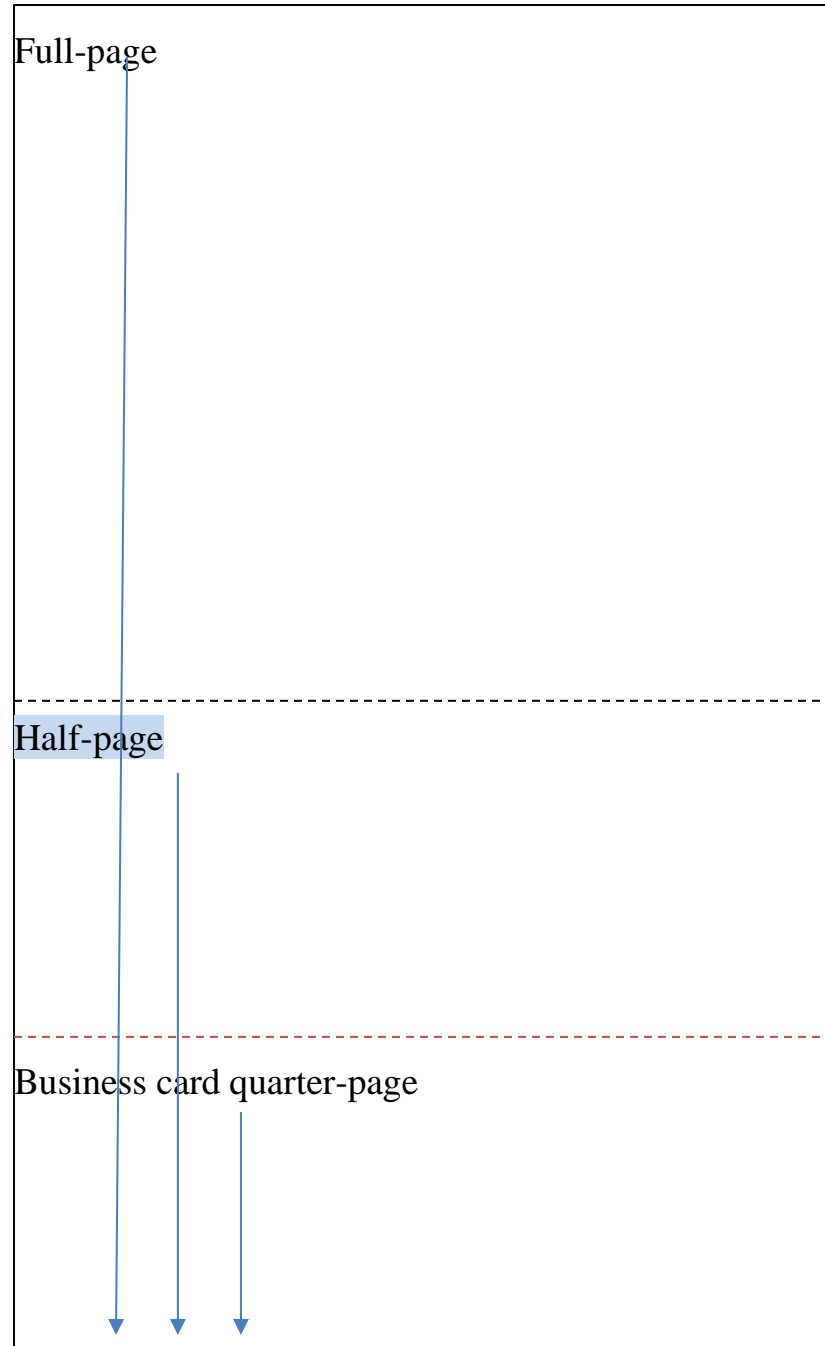

On behalf of the Community Services Council of Will County Inc., We would like to thank you for your consideration in support of our 2018 Advertisement book. The Council was established in 1939 to coordinate services and share information on the resources available to the residents of Will County. The need for the services our member agencies provide continues to require us to connect, communicate, collaborate and continually update available resources.

All proceeds from our Annual Advertisement book will be dedicated to our scholarship fund and continued financial support (as funds allow) of our recipients who stay connected with us though their college/university journey.

Now more than ever during tough economic time we must come together to change the world.
